

Acknowledgments

The editors wish to acknowledge generous support for this project from the Evolving Family Theme Project of the Institute for the Social Sciences at Cornell University. This book is partly based on a conference that was held at Cornell University as an activity of the Evolving Family Theme Project on April 7 and 8, 2006. Evolving Family Theme Project team members contributed to the planning and execution of this project, and to them we are grateful. In addition to the editors of this volume, they included Elizabeth Adkins-Regan, Stephen Emlen, Michael Goldstein, Mary Katzenstein, Stefan Klonner, Kathryn March, Maureen Waller, Elaine Wethington, and Lindy Williams. For their support and assistance, we are also grateful to David R. Harris, director of the Institute for the Social Sciences at this project's conception, and to the administrative staff of the institute, Aneliese Truame and Judi Eastburn.
