- Amnesty International, on torture, 240–41
- Anxiety: from bullying, 127; from disasters, 289; insidious trauma and, 146; among LGBT, 145; post-traumatic, 31; poverty and, 222; sexual abuse and, 37
- Armendariz, B. A., 187
- Art therapy, 31; for assessments, 24; clay as, 25–26; for dog attack, 24–25; painting as, 24–25

- ASD; *see* Acute stress disorder
- Asian Americans: family identity of, 42; family system structure of, 42–43; social worlds of, 42
- Assessment: art therapy for, 24; strengths based, 61, 64–66
- Asylee/refugee, 303; application for, 238; immigrants and, 238; international law and, 238; NGOs and, 238–39; oppression of, 240; resources for, 239; torture of, 239
- Atwood, G. E., 126
- Autonomic nervous system, PTSD and, 80
- Barton, A. H., on therapeutic community, 292–93
- Bell, H., 41
- Bereavement; *see* Traumatic bereavement
- Biofeedback, for mind-body approach, 81
- Bisson, J., 167, 168
- “Boarding school era”: Bureau of Indian Affairs and, 178; impact of, 184; of Native history, 178; negative impact of, 181
- Bonanno, G. A., 8, 307
- Borderline personality disorder, PTSD and, 267–68
- Boulton, M. J., 135
- Boyd-Franklin, N., 225
- Brave Heart, M. Y. H., 187, 190
- Briere, J., 305
- Broca’s area, trauma and, 80
- Brom, D., 167
- Bullying: aggression and, 125, 127; at Columbine, 128; as complex phenomenon, 128, 137–38; depression/anxiety from, 127; disclosure of, 132; ecological/societal contexts of, 127; empowering support and, 136; empowerment principles and, 133–37; forms of, 132; Fox/Boulton on, 135; impact of, 126, 130, 131; indirect/direct, 126, 127–28, 130; interventions for, 129, 133–34, 135–36, 137; LGBT and, 135; multicultural respect and, 134–35; needs awareness and, 135; Olweus on, 127; perception of, 127–28, 130, 134; power imbalance in, 125, 136–37; prevalence of, 126; psychological trauma and, 125–26; recognition of, 131–32; repetition of, 129–30; reporting of, 128–29; responding to, 128–32; schools and, 127, 128, 130, 134, 137; studies of, 127; therapist’s reaction to, 132–33; trauma of, 125–28; Twemlow/Cohen on, 129; victims/victimizer characteristics of, 126; VT and, 132–33
- Bureau of Indian Affairs, 178
- Burnout, STS *v.*, 5
- Capacity building: ecological principle and, 254; mental health system and, 254–55; results of, 254–55
- Carlisle Indian School, 181, 187; Native Americans and, 178
- Census Bureau, poverty guidelines and, 218–19
- Change the Channel: as group work, 203–4, 210; Webb on, 203–4
- Chavkin, W., 221
- Child abuse: aftereffects of, 300–301; child protective services and, 38; mental illness and, 300; statistics of, 36
- Child protective services: child abuse and, 38; foster care and, 38
- Childhood trauma: adult memories of, 78–80; play therapy for, 21; resilience from, 28, 32; transformation of, 15–32; unresolved, 20
- Children: disasters and, 282, 284, 285; poverty and, 219; September 11th trauma group work and, 194–212, 303; as terrorism survivor, 195–200
- CISD; *see* Critical incident stress debriefing
- CISM; *see* Critical incident stress management
- Clients: Cultural Context Model and, 104, 116; death of, 159–73; IFS experience of, 115–20; privacy between, 105–6; *see also* Sexual minority client

- Clinical-community perspective: disaster prevention/intervention and, 286; disaster response and, 286–91; resources and, 287
- Cognitive-behavioral strategies: examples of, 203; for group work, 202–4
- Cohen, J., 129
- Collective trauma: depression and, 198; Herman on, 198; remembrance/mourning and, 199–200
- Colon, E., 187
- Color, people of, control/power misuses toward, 108
- Columbine, 128
- Combat fatigue; *see* Post-traumatic stress disorder
- Combat trauma: complex PTSD and, 264; empowerment principles and, 272–75; group work for, 269–70; interpersonal empowerment and, 268–70; personal empowerment and, 265–68; responding to, 264–72; social empowerment and, 270–71; spiritual empowerment and, 271–72; treatment of, 274–75; understanding of, 261–64; VT and, 272
- Combat veterans: coping skills of, 269; defense mechanisms of, 266; deployment of, 268; empowering support and, 274; empowerment and, 264, 273–74; flashbacks/hyperarousal of, 260, 265; friendships of, 268; Iraq War and, 276; mental health and, 266; multicultural respect and, 273; needs awareness and, 273; physical injuries of, 267; power equalization and, 274–75; PTSD and, 260, 275–76; religious faith of, 267, 271–72; strength building of, 272–73; substance abuse and, 269; suicide and, 259; trauma of, 259–76; welcoming home for, 270–71; women as, 269
- Community: disasters and, 286, 288–89; empowering support of, 154–55; goals of, 255; LGBT support and, 154–55; multicultural respect and, 250; needs awareness and, 251, 255; political violence and, 256; rebuilding of, 293; sense of, rebuilding of, 208; strength of, 293; therapeutic, 292–93; torture and, 245; transformation of, 250–55; values of, 253
- Community empowerment, Project WISE and, 225
- Compassion fatigue, 4–5; compassion satisfaction and, 169; Figley on, 169; Myers/Wee on, 170; Saakvitne/Pearlman on, 169; *see also* Secondary traumatic stress
- Compassion satisfaction: compassion fatigue and, 169; feelings/scale for, 169–70; Myers/Wee on, 170
- Complex Post-Traumatic Stress Disorder (Complex PTSD): criteria for, 263; killing and, 263; prolonged life-threatening events and, 263
- Complex PTSD; *see* Complex Post-Traumatic Stress Disorder
- Constriction, terror and, 57–58
- Control: of people of color, 108; domestic abuse and, 99–102; of gay/lesbian partnerships, 109; within gay/lesbian relationships, 111; of heterosexual relationships, 110; hierarchies of, 101; misuses of, 102–12; trauma treatment and, 247; by verbal abuse, 98
- Coping skills: of combat veterans, 269; multicultural respect and, 186; for trauma, 65–66, 202
- Crisis intervention: disasters and, 290; solution-focused approach and, 291
- Critical incident response; *see* Debriefing
- Critical incident stress debriefing (CISD): for agency grief, 172–73; groups for, 167; Lewis on, 165; phases of, 164–65
- Critical incident stress management (CISM), 164; Kleber/Brom and, 167
- Cultural Context Model: accountability and, 103, 104, 114, 119–20; Almeida and, 102, 105; barrier breakdown of, 117–18; between clients, 105–6; client's

- expectations of, 116; culture circles/  
groups and, 106–7, 111–12, 118–19; for  
domestic abuse treatment, 102–12;  
empowerment and, 103; empowerment  
principles of, 113–14; between family  
members, 106–7, 118–19; framework  
of, 110–11; by IFS, 103, 120–21; as  
multifaceted/community-based, 103;  
operation of, 103–4; privacy/privilege  
rules and, 104–12; in society, 107–12;  
sponsors and, 104, 107–8, 112; structure  
of, 103; studies for, 102; success of, 119–20;  
between therapists/clients, 104–5
- Cultural transformation, disaster and, 294
- Cultural violence, 101; patriarchy and, 102
- Culture broker: capacity building and, 254;  
torture trauma treatment and, 250–51
- Cyclical institutionalization, 38–39
- Danieli, Y., 188
- Death, of client: agency grief and,  
159–73; debriefing for, 163; information  
available for, 160; reaction to, 160–61,  
169, 171–72; shock of, 163; VT and,  
168–70
- Debriefing, 302; for agency grief, 162–73;  
for client death, 163; EAP and, 162;  
effectiveness of, 165–66; Everly/Lating/  
Mitchell on, 164; Great Britain's  
Cochrane Collection on, 167, 168;  
group interventions and, 166; Myers/  
Wee on, 168; PTSD and, 167; Saari on,  
166; of STS/VT, 46; studies on, 167–68;  
UN standards for, 166; universal/  
voluntary, 173; use of, 165; value of, 167
- Depression: from bullying, 127; collective  
trauma and, 198; historical trauma  
and, 177; insidious trauma and, 149;  
multicultural respect and, 182–83;  
sexual abuse and, 37; STS and, 292; as  
trauma response, 143
- Diller, J. V., 256
- Dingman, R., 188
- Disaster: adult reactions to, 283–84;  
altruism and, 288; anxiety from, 289;  
children and, 282, 284; children's  
reactions to, 285; communities and,  
286, 288–89, 293; crisis intervention  
and, 290; cultural transformation  
and, 294; damaging effects of, 295–96;  
empowerment principles and, 292–95;  
global data on, 281–82, 284; identity  
and, 291; meaning for, 288, 294;  
parental distress after, 282; poverty  
and, 281; prevention/intervention of,  
286, 296; psychological trauma and,  
282; PTSD and, 282, 293; rate increase  
of, 281; reactions to, 282, 289, 291;  
resilience and, 295; resources for, 287;  
response to, 282; safety and, 288, 289;  
substance abuse and, 289; survival  
tasks and, 290; survivor roles and, 288;  
vulnerability to, 281–82
- Disaster response: clinical-community  
perspective and, 286–91; emergency  
workers and, 292, 294–95; VT and,  
291–92
- Disaster trauma, 279–96, 303;  
understanding of, 280–86
- Disaster trauma treatment, 290–91;  
creative questioning and, 290;  
interventions and, 290; solution-  
focused approach to, 291
- Disconnection: of psychological trauma,  
222; from sexual abuse, 58–59; trauma  
and, 60–61; as trauma response, 58–59
